## Interdisciplinary Approaches on Ecological Justice

MARIE SKLODOWSKA - CURIE ACTIONS STAFF EXCHANGES  
MSCA-SE-2021 - 101086202

### The project idea:

Speak4Nature aims to provide a common **theoretical and operational** basis in the social and environmental sciences **to give a voice** to nonhuman living beings in social and legal instances.

*This project has received funding from the European Union's Horizon Europe research and innovation programme under grant agreement No 101086202*

# Among the main objectives

- **SO1:** To conceptualize “Ecological Justice” from a multidisciplinary, intersectoral and international perspective (VWP2);
- **SO3:** To map the current social and legal techniques to assert the voice of non-human nature (VWP3 and VWP4);
- **SO4:** To empower the civil society and stakeholders’ role in ecological awareness, restoration, and climate change litigation (VWP4);

# Interactive Dialogue to Commemorate International Earth Day

A speech of the project coordinator, Prof. Míguez Núñez, at the Twelfth Interactive Dialogue of the General Assembly on Harmony with Nature held at the United Nations on 24 April 2023 on the occasion of Earth Day.
